

# 2026 SUMMER INTERN POSTING

## DEPARTMENTS

Commodity & Regulatory Affairs; Organization & Member Programs;  
Public Affairs & Government Relations

## POSITION

Summer Intern  
Farm Bureau Center – Little Rock, Arkansas

## JOB POSTING DATE

March 5, 2026

## SUMMARY OF JOB

This program provides a “hands on” work experience to students that will increase their understanding & knowledge of agriculture as well as the function/purpose of the Arkansas Farm Bureau Federation. The program includes opportunities to interact with agriculture leaders and farmers from across the state/country. Students will work alongside staff to research, draft, and refine advocacy materials designed to communicate Farm Bureau policy to legislators, regulatory agencies, consumers, and student audiences.

## ELIGIBILITY / QUALIFICATIONS

- ✓ Actively enrolled in an accredited Arkansas University/College.
- ✓ Entering Junior level or higher student status.
- ✓ Pursuing a degree in agriculture or agriculture related field.
- ✓ Grade Point Average of 3.0 or better.
- ✓ Valid Driver’s license with an acceptable driving record.
- ✓ Required to report to/work from the Farm Bureau Center located in Little Rock.
- ✓ Work at least 10 – 12 continuous weeks during the period of May – August.
- ✓ Travel, including some overnight and out-of-state.
- ✓ Proficient communication skills (oral and written).
- ✓ Present self in professional/business manner.
